# Syed Suhail Ahmed

## Objective

To obtain a position as an active employee in a growing, reputable company where I can contribute my skills, proactive attitude, and positive atmosphere to help improve the company and myself.

## Education

2010-2014	<b>B.Tech in Computer Science and Engineering</b> , MES College of Engineering, Kuttippuram, Kerala, India. University of Calicut, India,	<b>6.81/10</b>
2010	<b>AISSE</b> , Holy Trinity School, Kanjikode, Kerala, India. CBSE, New Delhi	<b>85.4%</b>
2008	<b>AISSE</b> , Holy Trinity School, Kanjikode, Kerala, India. CBSE, New Delhi	<b>86.8%</b>

## Technical skills

<b>Programming Languages</b>	C, C++, Python, Ruby, CSS(SCSS), Javascript, HTML, LaTeX, Shell Scripting
<b>Frameworks</b>	Ruby on Rails, JQuery, Bootstrap, Angular.js, Flask
<b>Operating Systems</b>	Windows, Linux
<b>Tools</b>	Git, Emacs

## Projects

<b>Title</b>	<i>Building a Computer</i>
<b>Description</b>	This project was undertaken in order to understand the working of a computer at different levels of abstraction, starting from electronic hardware(simulation) to application layer.
<b>Title</b>	<i>RGBD mapping with 3D cameras</i>
<b>Description</b>	This project demonstrates the ability of building 3d maps of the environment from commercial 3d cameras such as Microsoft Kinect. Images captured by the camera were individually converted to 3d and stitched together based on features detected on each image.
<b>Title</b>	<i>MESTECH'14 Website</i>
<b>Description</b>	This website was developed for the annual techno-cultural festival of MES College Of Engineering. It contained basic features like signup, login, transitions etc.
<b>Title</b>	<i>Viralize</i>
<b>Description</b>	This command line application allows users to publish content to multiple social medias like facebook, twitter, email etc.

---

## Industrial Training

**Title** *Mentoring course, The Lycaeum, Calicut*

**Description** Learned shell scripting, emacs, python, git and general software design and development.

**Title** *IPSR solutions ltd., Calicut*

**Description** Red Hat Linux Administration and Networking

---

## Achievements

- First Prize in Treasure Hunt, Excellencia 2K14
- Second Prize in Web Designing, Excellencia 2K14
- First Prize in Overall events, Sparsh 2013
- Head of FOSS club, MESCE 2013-2014
- Elected as the Treasurer for IEEE student branch MESCE from 2012-2013

---

## Extra Activities

- Organized and volunteered several events under IEEE, MATRICS(CS organisation) and FOSS.
- Participated in debates conducted by IEEE.
- Participated in robotics competitions in several colleges.

---

## Area of Interest

- Web Design and Development
- Embedded System

---

## Personal Skills

Honest, ethical, ability to learn new technologies quickly,  
Good managerial and co-ordination skills, collaboration with other team members,  
Excellent verbal and written communication skills.

---

## Personal Information

**DOB** 19/02/1993

**Sex** Male

**Languages** Malayalam, English, Tamil, Hindi, Urdu

**Hobbies** Reading, Nunchuck Tricking, Martial Arts
